

## Folkmanis Puppet Captions

**AMAZON PARROT** – You don't have to travel to South America to experience the beauty of the Amazon Parrot. This multicolored gem is a 14-inch Folkmanis Puppet with simply gorgeous fabric that simulates his distinctive colorful feathers. Beak and claws are made of ultra-suede and soft, safe vinyl.

**ANGORA RABBIT** – This fabulous Folkmanis rabbit is irresistibly snuggable with long, silky, white plush. Realistic details on the 14-inch Angora Rabbit Puppet will make you think it's about to spring into your lap, but fear not—this puppet is pure sweet fluff!

**BLACK SHEEP** – With its movable mouth, velvety soft black features, and rich, wooly salt-and-pepper fleece, you'll be proud to claim this 13-inch Black Sheep as part of your Folkmanis Puppet family.

**CHIHUAUA** – This replica of a well-recognized “toy” dog is a winning breed with its smooth fabric coat, stout legs, apple-shaped face, and upright ears. Standing slightly larger than life at 14-inches tall, this Folkmanis Puppet comes with a removable pink collar.

**GIFT BOX PUPPY** and **GIFT BOX KITTY** – Folkmanis has cleverly combined the excitement and anticipation of a gift with an adorable pet – puppet that is. Gift Box Puppy and Gift Box Kitty each comes attached to its own 5-by-5-inch box – elegant gold tones for the kitty, festive blue design for the puppy.

**SEA OTTER** – Playful Sea Otters fascinate visitors to the California Coast and now everyone can hold a delightful recreation of this marvelous creature. The Folkmanis Sea Otter Puppet has incredibly soft short-pile fabric, vinyl flippers, and holds a colorful starfish.

**STAGE PUPPETS** – Folkmanis’ heirloom-collection of theater-styled puppets was introduced in 2007 and instantly won numerous industry accolades. Building upon this success, Folkmanis introduces eight new animals to this award-winning subgroup.

- **BEAR** – The long, thick “fur” covering this Stage Puppet Bear provides it with a look that’s all his own. An incredibly sculpted face with contrasting snout and big black eyes make this bear a puppet anyone will want to hug.
- **BIG BAD WOLF** – What big eyes and teeth you have ... the better to tell a story with as the Folkmanis Big Bad Wolf comes to life with archetypal details and a ferocious attitude.
- **FOX** – Vibrant orange fabric “fur” distinguishes this sly character along with pointed snout and ears, and contrasting black paws.
- **MONKEY** – The detailed facial features give the Monkey Stage Puppet its individuality. Floppy arms, cute ears, and contrasting chest fabric bring its playfulness to life.
- **RABBIT** – Heirloom-quality details and a rich mix of sumptuous plush make this 20-inch Folkmanis Rabbit Stage Puppet a stand-out in the puppet world.
- **RACCOON** – Multi-colored fabrics and attention to detail make this Folkmanis Raccoon Stage Puppet amazingly realistic and seemingly alive with personality.
- **SHEEPDOG** – Styled after Folkmanis’ best-selling, full-bodied puppet, this Folkmanis Sheepdog Stage Puppet’s long, shaggy “fur” and big, black eyes make him irresistible.
- **TOUCAN** – The Folkmanis Toucan Stage Puppet stands out among all puppets because of its astonishing bright, multi-colored beak and face. An oversized, moveable mouth and wings make Toucan king of the flock.

**WEBWILDS™** - hands-on fun with minds-on learning in a wild web world. Folkmanis is embarking on an exciting new adventure: Folkmanis® WebWilds™ puppets. Teaming with the non-profit children's internet site GLOBIO™, WebWilds.com is a unique online environment where kids can keep their hands on a Folkmanis puppet while their minds are learning about their animal and others when logged onto the internet site. WebWilds are the **ONLY** puppets with their own **EDUCATIONAL** online virtual habitats created around **REAL-WORLD** environments.

- **African Elephant** – This WebWilds puppet is 15 inches of silky soft plush. African Elephant has intellegent eyes, floppy ears, soft tusks and a flexible trunk that all provide an undeniable identity.
- **Baby Orangutan** – This puppet is 9 inches of adorable fun. His faux-fur depicts the orangutan's signature messy hair, and his facial features give him a sweet personality. Round eyes, adorable nose and smiling mouth create the perfect rendition of this endangered animal. Long, workable arms reach out and say "Hold me."
- **Koala** – The unusual, yet lovable, Koala comes to life with signature shades of grey plush perfectly matched to the real-life species. The Koala puppet is 10-inches tall with big, black eyes and a soft vinyl nose and claws.
- **Rockhopper Penguin** – This full-bodied puppet is 11-inches tall and has micro-fiber soft black-and-white fabric accented with a bright orange-red bill and distinctive yellow crest feathers. It has workable wings and feet.
- **Sitting Panda** – WebWilds Panda is a full-bodied, cuddly Folkmanis puppet that sits 10-inches high. An adorable face and soft, padded paws give panda an endearing personality.
- **Small Lion** – This King of the Jungle is a huggable 12-inch puppet that enables small hands to get a feel for this large beast. Folkmanis has blended the perfect mix of short-pile fabric with a long-pile plush mane to create a wonderfully charming puppet.
